

Manor Academy Home School Agreement
Relating to school opening when social distancing measures are in place

In order for school to run effectively with social distancing measures in place, it is important everyone follows clear guidance, therefore we ask all parents and their children to agree to the following expectations during this period.

Please return a signed copy of this document either electronically or by post prior your child's return to school.

During the partial re-opening of the school, we expect students:

1. To arrive promptly for all sessions. This includes not arriving too early (more than 10 minutes) before the session starts.
2. To queue for lessons in the identified areas and on the marked guidance lines on the floor.
3. To follow the one way system when moving around the school.
4. To follow all instructions from any member of staff first time and without question.
5. To sit in an identified seat during lessons and not to get out of this seat during the lesson unless given express permission by the member of staff teaching the lesson.
6. To follow all social distancing guidelines at all times, including not going within two metres of any other student or staff member.
7. To bring a personal water bottle to drink (if required) as no child will be able to use the water fountains at this time.
8. To ensure that the full school uniform is worn, without the need for a school tie, and that it is cleaned in between each day in school.
9. To leave school promptly at the end of the session and not to congregate or talk to other parents or students on or around the school site and to follow all social distancing guidance on the way home.
10. To follow all school expectations as per the normal school behaviour policy.

We also ask that parents:

- a. Do not congregate at any point on or around the school site.
- b. Follow strict social distancing measures at all times.
- c. Do not park in the school car park.

We agree to the above and understand the importance of these measures during this period.
